TA MacIver,

On July 26, 2021, the Board voted to reclassify the Detective position from Grade 8 to Grade 10 in order to be more consistent with the roles and responsibilities of the position. That position was filled internally with an existing Sergeant, leaving a hole in Patrol. Thus, on August 10, 2021, DC Brooks and I started a process to promote a new Patrol Sergeant.

A multiple phase testing process took place which included a written test, a Sergeant's Board comprised of supervision from the Dover, Durham, and Epping Police Departments, as well as an "In-Basket" exercise. I am extremely proud of all my staff members who participated in the process, and that pride was reinforced by the comments of the Board regarding the quality and professionalism of the officers involved.

On October 25, 2021, Deputy Chief Brooks and I advised Officer Tyler Currier that he would be assuming the role of Patrol Sergeant effective November 1, 2021. Prior to becoming a law enforcement officer, Tyler served as a Navy Corpsman for approximately 5 years. Officer Currier has been with the Barrington Police Department since 2019, having started his career in Nottingham. During his time with BPD, Officer Currier has constantly strived to better himself; becoming a Drug Recognition Expert and seeking out training to hone his patrol skills.

Officer Currier is well respected by both his peers and supervisors, and I have no doubt he will acquit himself honorably in his new role as Patrol Sergeant.

Respectfully Submitted,

Chief George Joy
